MEDFIELD COALITION FOR PUBLIC EDUCATION

Thanks to the unwavering support from our generous community and the tireless dedication of our teachers and administrators, MCPE has once again achieved remarkable success in bringing enrichment and innovation to Medfield Public Schools. **We are thrilled to announce that we provided nearly \$83,000 in funding throughout the year, supporting a total of 22 grants.** These grants have introduced unique ideas that greatly enhance the educational experiences of our Pre-K-12 students, with \$14,000 specifically allocated to Social Emotional Learning (SEL) through funds from the ONWARD campaign. Our success is also attributed to the enthusiastic participation in our fundraising events, where we collectively raised more than \$70,000. These events, including Fall Fest, Giving Tuesday, the Spelling Bee, Medfield March Madness, Trivia Night, Chipotle Fundraising Night, Mother's Day Wine and Charcuterie, and the Blue Ribbon Campaign, have not only raised crucial funds but also fostered a strong sense of community involvement and support.
