

Medfield Coalition for Public Education

Annual Report 2020/21

Even during this challenging year filled with masks, Covid-19, cohorts and remote/hybrid learning, MCPE completed another successful year of bringing enrichment and innovation to Medfield Public Schools. Through the generosity of the community and the creativity and devotion of our teachers and administrators, **MCPE used money raised to fund nine grants totaling \$50,617!** These grants represent many unique ideas that improve the experiences of our K-12 students. In addition, we were able to fully fund two **“Onward” pandemic-related requests from the District for a total of \$11,835.**

Thank you to the families, individuals, and community supporters who contributed to MCPE through the following activities:

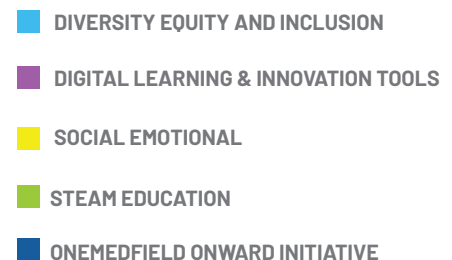

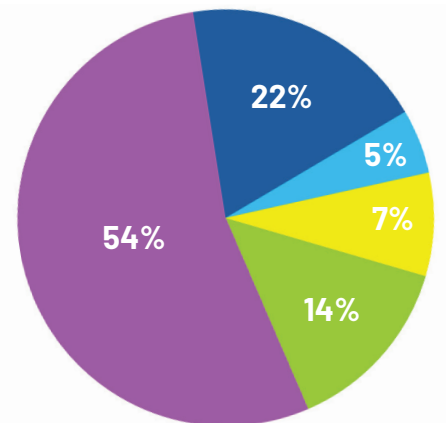

- **OneMedfield Moves**
- **OneMedfield “Date Night In” Wine Tasting**
- **OneMedfield “Date Night In” History Presentation**
- **OneMedfield Driveway Painting**
- **Virtual Trivia Night**
