

Medfield Coalition for Public Education

Annual Report 2021/22

With the generosity of the community, and creativity and dedication of our teachers and administrators, MCPE has completed another successful year of bringing enrichment and innovation to Medfield Public Schools. MCPE is pleased to have used money raised throughout the year to fund 12 grants totaling over \$40,000! These grants represent many unique ideas that improve the experiences of our K-12 students. In addition, two additional “Onward” pandemic-related requests from the District for a total of almost \$13,000.

We feel so grateful to have been able to bring back some of our favorite events after the pandemic hiatus. Thank you to the families, individuals, and community supporters who contributed to MCPE through the following activities:

- **Fall Fest**
- **Wreath Making**
- **Spelling Bee**
- **Blue Ribbon Teacher Appreciation**
- **Entertainment for Education (E4E)**
- **[Corporate Sponsorship](#)**

A complete list of [donors](#) for the fiscal year ending May 31, 2022 is available on our website.

MCPE would like to send a heartfelt thank you to our Board, the Teachers, the Administrators & Staff, our Corporate Sponsors, and the Community for allowing us to continue our mission to raise money and grant money to the PreK-12 schools.
