

Annual Report 2024–2025

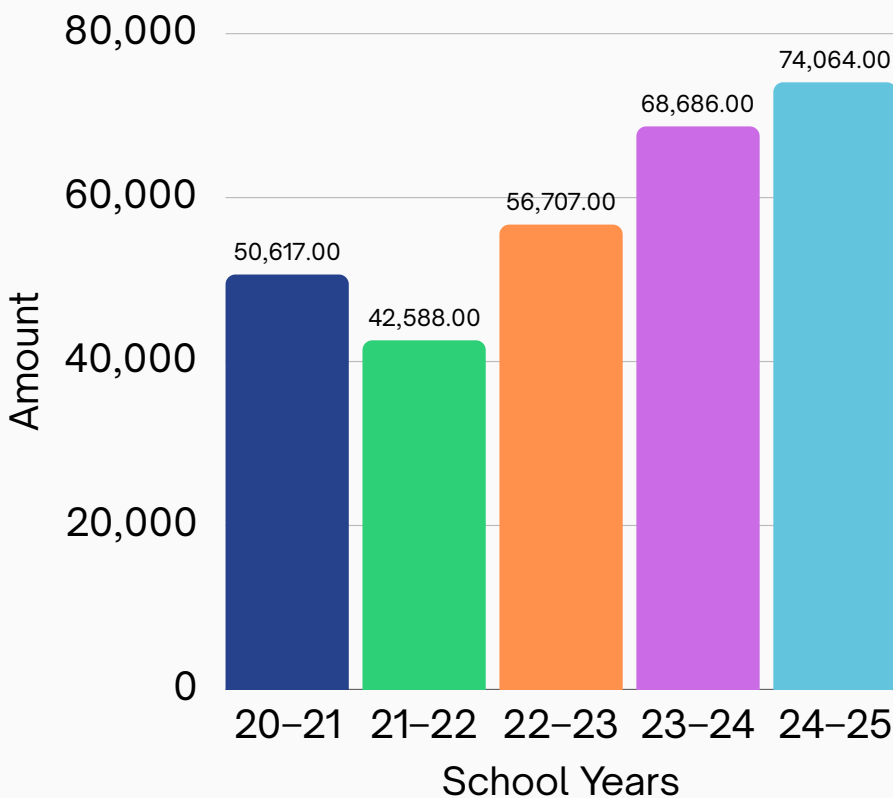

MEDFIELD COALITION FOR PUBLIC EDUCATION

Thanks to the unwavering support from our generous community and the tireless dedication of our teachers and administrators, MCPE has once again achieved remarkable success in bringing enrichment and innovation to Medfield Public Schools. We are thrilled to announce that we provided nearly \$75K in funding throughout the year, supporting a total of 18 grants. These grants, many of which have already been put into action, will provide students and staff with exciting experiences, hands on learning opportunities, materials, social emotional tools, and professional development.

Community support is pinnacle to our mission. Enthusiastic participation in our fundraising events collectively raised more than \$103,967. Fundraising kicked off strong at a glamorous and well attended Fall Ball brought in \$47,000. Support

continued throughout the year as crucial funds poured in from Giving Tuesday, Medfield March Madness, Trivia Night, Chipotle Fundraising Night, ISlide sales, Mother's Day Wine and Charcuterie, and Yard Signs. The Annual Spelling Bee proved to be an extremely popular event with 392 students participating and \$11,000 funds raised. MCPE thanks the entire Medfield community for its enduring support and help in creating a unified community with a powerful school district at the core.

Spend Per School Year (as of May 31st, 2025)
